WITH THE

DIRECTORY

IT IS NOT SO

The Directory is a book of reference and contains a file of advertisements, indexed by the classified headings, which is at hand when your goods are needed.

Every progressive business man considers this a first class investment, the cost being low, considering the length of time the book is in use.

Pepperell park, east side of city consisting of several acres, was granted to the town in 1752, by Sir William Pepperell. On four acres "of which a meeting house, burying place and schoolhouse were to be located, and for no other use or end whatever." A still larger grant, adjoining, was made "for a training field." The Unitarian church is situated on this grant.
